Hosting partner: Youth Club of municipality of Stara Pazova, Partizanska 87, 22304 Novi Banovci, Serbia

Location: Institute for regional development, Balzakova 24/61, 21000 Novi Sad, Serbia

Start date: 27 October 2022

End date: 27 October 2022

On October 27, 2022, Multiplier Event 3: "Relearn Plastics" Learning materials presentation was held in Novi Sad. The hosting partner was Youth Club of municipality of Stara Pazova, Partizanska 87, 22304 Novi Banovci, Serbia, and Danka Radić presented Learning materials.

The largest number of participants in this event were secondary school teachers. The teachers were from the following secondary schools: Gymnasium “Branko Radičević” - Stara Pazova, “Vuk Karadžić” School of Economics and Business - Stara Pazova, Secondary Vocational School "Borislav Mihajlović Mihiz” – Irig, "Pavle Savić" Technical School – Novi Sad, and Agricultural school – Bač.

We had the special honor of being attended by professors and assistants from the University of Educons led by the vice-rector for teaching prof. dr Gordana Racić, and professors from the FFNS - Faculty of Pharmacy, Novi Sad and Faculty of technology, Novi Sad. It is also necessary to point out the presence of Vladica Vojinović and Radoslav Zdravković, who are representatives Office for Local Development and Project Management (Sremska Kamenica), and GOURMET educational center, Vrdnik.

All participants agree that the material is interesting and applicable and contributes to education development. The representatives of the schools expressed their desire for some future cooperation, which would contribute to improved learning.
